

belle vie tv

Belle Vie TV is an independent rights management company, providing expert commercial and business affairs advice to the non-scripted television industry.

Belle Vie TV was established in 2013 by Michelle Bruce, following a distinguished 20-year career in television working for rights.tv, Discovery Networks International and TVF International.

WHAT DO WE DO?

Solve problems, minimize risks and maximize revenues by:

- ❖ providing sound commercial advice
- ❖ undertaking business affairs negotiations on your behalf
- ❖ drafting and reviewing all types of contracts and agreements
- ❖ creating workable, enduring rights strategies for producers/distributors

In addition, we can supply short term business affairs and rights management cover within your team.

HOW DO WE WORK?

We are a small, solutions-driven team, which prides itself in working:

- ❖ flexibly – fitting with client needs and workflow
- ❖ cost-effectively – we can charge by the hour or on a project basis
- ❖ professionally, confidentially, diligently and with close attention to detail
- ❖ seamlessly and supportively with your team

WHO DO WE WORK WITH?

We have a deep knowledge of the international television landscape and have successfully worked with a range of broadcasters, producers, co-production agents, distributors and presenters in Europe, US, Latin America, Asia and Africa. Recent clients include Fox, Scripps and Discovery.

INTERESTED?

Try before you buy and contact us for a free, non-committal and confidential telephone conversation to discuss any business affairs issues you may have.
